About Us

Alkhanji Medical and Nursing Services is a Qatar based Home Care Agency that is led by very experienced healthcare experts providing high caliber standardized care for all our customers whether in the Home, School or Work Camp.

We will provide highly skilled nurses, physicians, physiotherapist and speech therapists to take care of your loved ones in the comfort of your home according to the best home care standards in the world so you can rest assured that they will be in safe hands.

We will also provide experienced physicians to schools and companies requiring medical care for their students and employees on site without having to go through the hassle of state requirements for licensing health care practitioners as we will do all that for you.

We are committed to excellence in all what we do and we are sure that you will notice the difference.

Vision & Mission

Our vision is to be Qatar's leading home healthcare agency providing the best practitioners, the highest quality and affordability.

Our Mission is to improve the Quality of the way our patients live at home. And to be an active member of the advanced Qatari health sector leading change in the way home healthcare is delivered and introducing valuable services to that category of healthcare providers in addition to the traditional services of caring for the sick, elderly and children like physiotherapy and speech therapy and constantly improving our services using up to date best international practice and innovation to improve our clients satisfaction.

Nursing Service

We will provide homes, companies, schools and healthcare facilities with experienced licensed Nurses.

Medical Service

Our experienced licensed physicians will provide you with optimal care based on international best practice at home...

A photograph of a young woman, likely a caregiver, wearing a white uniform and a white nurse's cap. She is smiling and holding a glass of orange juice to the lips of an elderly woman with white hair. The elderly woman is looking down at the glass. The background is blurred, showing an indoor setting.

Care Givers

Our Caregiver will provide grooming assistance, dressing assistance, walking assistance, meal preparation /diet monitoring and medication reminders for elderly or dependant children.

Physiotherapist

Physiotherapist can provide you with state of the art physiotherapy sessions within the comfort of your homes where such therapy is proven to be more effective. They will have all necessary tools and equipments to provide you safe and effective treatment.

Speech Therapy

We provide your loved ones with advanced speech therapy sessions based on best practice within the comfort of your homes.
